ACTIVE CAMPERS: VANTAGE

Come and see us at **1 Hawke Drive, Woolgoolga NSW 2456**
Ph: 02 6654 8828 • info@activecampers.com.au • www.activecampers.com.au

Our challenge was to build a lightweight and comfortable slide-on camper with inside toilet and shower. A clever design utilising the hallway to double up as wet area gives a full size bathroom. Using state of the art materials (thermoplastic sandwich panels) results in an extremely strong yet lightweight camper.

The Vantage can be fitted to single and extra cabs as well as some dual cab utilities.

Standard features include:

- Permanent Queen size bed (1900 mm x 1550 mm) & mattress underlay
- Slide out table, seating for 4 people, converts into second bed
- 6 x 12 volt LED ceiling lights, fire extinguisher, smoke detector
- Stainless steel 3 burner gas cooker & sink with glass lid, 2 x 4 kg gas bottle
- Front door compressor fridge (85 litres Isotherm), 12 volt
- 85 litres fresh water tank, 12 volt water pump and water gauge
- Electric 12 volt actuators to open & close roof
- Electric and gas hot water system for indoor shower & sink
- Cassette toilet with external hatch door
- 240 volt power supply, earth leakage, circuit breaker, double power point and on board battery charger
- 120 amp deep cycle sealed battery system, electronic dual battery isolator installed to your vehicle,
- 2 x external storage hatches
- Removable mechanical camper legs including battery power drive
- Side sun roof, 3m long x 2m wide
- Corner cupboard, 4 drawers and storage hatch under each seat and overhead cupboards
- Empty dry weight approx. 500 kg including legs and battery
- Initial installation to your ute (up to 3 hrs labour) and standard fittings
- Jerry can system for grey water fitted to your car (left hand side – behind rear wheel)
- Available in Grey or Yellow waterproof material

Optional extras include:

- Solar system with regulator
- Second deep cycle sealed battery 120 amps
- Clear window insert (front window)
- Sirocco Fan
- External shower
- 12 volt, 22" LED Full HD TV with fold down bracket
- Gas air heater
